## Will They Chip In.

Will the Democratic party go hungry in the present campaign? Read the answer in the list of the finance committee Chairman Mack has just announced. Millionaires are thick.

It is, indeed, a sort of millionaire club. Observe: Moses C. Wetmore, of Missouri, is chairman. He is very rich, and hunts and fishes on his own preserves. Mr. Bryan is often his guest in the rod and gun seasons.

In the business world Mr. Wetmore has been a sort of feeder to trusts. When they have proved too much for him

Now is the chance to own your own home. \$1,500.00 will purchase No. 905 North Reus street, a modern, attractive cottage, just built; situated in the most desirable residence portion of the city. If you haven't all the cash on hand, we will sell you on the installment plan, \$25 down and balance in \$20 monthly payments. If you haven't the \$25.00, we will rent you the place at only \$12.52 a month. This is a rare bargain. If you will go and inspect the property and really want a nice, cozy little home, you will be convinced. This property is in a section of the city where real estate is steadily increasing in value. Even now, it would be impossible for you to buy a house at the price offered. When the new car line is built, this property will easily sell for \$2,000.00. Now is the time to buy.

We have money to loan on city property at the market rate of interest.
